

**Directions to McMillan Metro, P.C.
7811 Montrose Road, Suite 400
Potomac, Maryland**

From I-95, take the Intercountry Connector (ICC) also known as Route 200, West towards I-270 Rockville/Gaithersburg.

Take the ICC as far as it goes which is about 17 miles. It then becomes I-370. Follow the signs for I-270 S/Washington (a left exit).

Take I-270 south to Exit 4B West (the sign reads “Montrose Road West/Potomac,”) bear to the left onto Montrose Road (not Park Potomac Avenue.)

Once on Montrose Road, go only about 200 feet, and just past Park Potomac Avenue, make a right turn into the parking lot for our 5-story brown brick building at 7811. If you reach the light at Seven Locks Road, you went too far - but there’s another entrance to our parking lot if you make a right onto Seven Locks and then an immediate right.

We are in Suite 400 on the fourth floor. Parking is free, either on the surface lot in front of the building, or in the parking garage (entrance on the right side of the building - the gate will go up automatically.)

If you need any assistance, please call my office at (240) 778-2330.

Travel safely.

Larry Jacobs
