Civil Litigation

Profile:

Jennifer Manley is an Associate with McMillan Metro, P.C. with expertise in Family Law and Estate Planning & Administration. Her legal experience is widely varied, and her background as an associate with a general litigation firm has provided her insight into the intricacies of civil litigation, providing a range of practice areas. Jennifer has represented individuals and corporations alike, and have substantial experience with personal injury law, both through settlement and litigation. Her primary focus is family law, and she has handled a wide array of matters including divorce, child custody and visitation, child support, property distribution, alimony, adoption, and guardianship. Her clients are equally diverse, with cases ranging from high asset matters to volunteer work with low-income individuals through local walk-in programs. She is certified as a Best Interest Attorney in Maryland and have a background child development and education. Her goal is to work with clients personally to gain an in-depth understanding of their legal issues and to create an innovative and workable solution to their problem. Jennifer is dedicated to her clients and committed to having a deep-rooted understanding of Maryland law.
